Text: Phil 3:1-17; [1 Cor 15:58](#); 9:24; Deut 1:6-8

### **Introduction**

Last month we were looking at the theme “move forward”. By the grace of God, this month we will be examining the theme: “Steadfastness”. Our study today will be on “Steadfastness and moving forward to attain divine goals”. May the Holy Spirit Himself open our eyes of understanding to see and understand as we study in Jesus name, Amen.

**STEADFASTNESS** Prov 10:4, 12:24, 27; 13:4; 21:5

What does it mean to be steadfast? It means not subject to change. It also means being firm in belief, determination, or adherence to certain principles or doctrine. Other synonyms of steadfastness are being constant, consistent, dedicated, devout, loyal, faithful, steady, pious, and staunch.

In what ways have you demonstrated steadfastness in your life? Can you cite two occasions?

### **STEADFASTNESS AND MOVING FORWARD**

What does steadfastness has to do with moving forward to reach your divine goals, discuss?

How will steadfast affect deeper relationship with God, progress in ministry, fruitfulness, business/career success, and overall attainment of one’s destiny?

**EXAMPLES OF STEADFAST PEOPLE** Ruth 1:1-18; Job 13:15; Dan 1:8; 3:16-18; 6:1-13;  
Act 20:15-24; 21:1-14

What can we learn from the life of Ruth and Oprah, Job, the three Hebrews, Daniel, and Paul regarding their steadfastness?

### **Conclusion**

Beloveth, how have you handled the attainment of your God-given dream? Think of it. Did you put in your best? Have you been steadfast? Take a moment to think of where you would have been in your relationship with God, in your ministry, in your career, in your business/investment. Are you steadfast? Can you ask anyone to imitate you? Will you change today or you want to be half-hearted in your service to God, in your walk with God, in your business and career? The world is waiting for your manifestation. You will manifest to the glory of God IJN.
