THANKSGIVING - TESTIMONIES – I

Give thanks and praise to the Lord. Bless the name of the Lord for His blessings and mercies over your life, over your loved ones and everything that is precious to you. Bless the name of the Lord for making His peace which transcends all human understanding to reign supreme in your life, your home, your family, this nation and all the nations of the world.

Our God is faithful and He is a covenant keeping God. He answers prayers for He said in **Matthew 7:7** **“Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you.”** It is not debatable that our God answers prayers. He does but in His own time. Please be encouraged with the following testimonies:

“My younger sister and her husband have been waiting on God for the fruit of the womb since 1998 after their wedding. Even after medical reports confirmed both of them to be alright, pregnancy was not forthcoming. During the monthly Holy Ghost services, other special programs and personal prayers, I usually ask God to grant my sister babies using other women who had been waiting on God and whom God has answered their prayers as a point of contact for her. We trusted God and continued to pray for God’s intervention. Last year at the RCCG North America Convention in Edmonton, I called on the Lord on their behalf and believed God to give them a set of twins – a boy and a girl - as a restoration of the years. God heard and answered the prayers. To the glory of God, this month she was delivered of a set of twins- a boy and a girl. God turned our sorrow into joy unspeakable full of glory. This is the Lord’s doing and it is marvelous in our eyes. Praise the name of the Lord. Hallelujah.

God restored and recovered a family property that had been occupied illegally for several years about 25 years. The man has refused to vacate the property and every effort to eject him proved abortive on our part. My family resolved to hand over the situation to God and continued praying to God on the issue. During the 40 days fasting and prayer, one of the prayer points was that “Lord, Let there be a restoration of all assets”. I prayed for restoration of the property and the Lord answered. Early this February, the illegal occupant vacated the property on his own when the finger of God touched him. Praise the name of the Lord.

God of miracle healed my older sister of a long term illness. During the February Holy Ghost Service as the worship session was going on God touched and healed her. When Daddy G.O. mounted the podium he said chains were broken during that session. That was the time she got her healing and she testified that she is well and fine. Praise the Lord. Halleluiah

I cannot recount all the sufferings, tears, weeping, and pains my family and I went through during these times of trial but we held unto God in prayer and often times fasting. When the cup of our prayer was full God showed us mercy, heard and answered our prayers and today we are living testimony of His miracles and wonders. You may be passing through affliction and challenges, or waiting on God for a miracle, I encourage you to trust God and hold fast unto Him in persistent prayer and fasting and God will surely answer your prayers as He has done for me and my family. God never fails and His mercy endures forever.” - Titi Okunlola

PRAISE HARVESTER

A Joyful 'toon by Mike Waters

Let the people praise thee, O God; let all the people praise thee. Then shall the earth yield her increase; and God, even our own God, shall bless us.

— PSALM 67:5-6 KJV
